THERMOMETERS

Scientific & Commercial

For mercury free ASTM thermometers please contact factory.

NO. 317S

POCKET SLING PSYCHROMETER

Two 5¹/₂" red liquid filled lens front thermometers attached to metal back with handle for whirling. Handle folds out of way when not in use. Supplied with humidity table, wick, and pocket case. Range: 20 to 110°F in 1° divs.

NO. 317CS

CELSIUS POCKET SLING PSYCHROMETER

Same as 317 except range - 5/45°C in 1° divs.

REPLACEMENT THERMOMETERS

NO. 317RS Tube only for 317 psychrometer.

NO. 317RCS Tube only for 317C psychrometer.

NO. 315 -1S

SLING PSYCHROMETER WEATHER BUREAU TYPE

Two 9¹/₂" red liquid filled thermometers mounted on stainless steel back, with swivel type handle. Furnished with wick and humidity tables. Range: -20/120°F

NO. 315 -1CS

CELSIUS POCKET SLING PSYCHROMETER WEATHER BUREAU TYPE

Same as 315-1 except range - 30/50°C.

REPLACEMENT THERMOMETERS

NO. 315R-1S Tube only for 315-1S psychrometer.

NO. 315R-1CS Tube only for 315-1CS psychrometer.

WICKS.....NO. 317W

Package of 36 extra wicks only for Cat. No. 315 psychrometers or Cat. No. 317 psychrometers

POCKET PSYCHROMETER

SLIDE RULENO. 318

Quickly converts wet and dry bulb temperatures into percent of relative humidity. Durable plastic, approximately 6³/₄" x 7⁷/₈".

HUMIDITY TABLESNO. 318C

Plastic coated 10" x 12" psychrometric chart.

SPOOL WICKINGNO. 320W

Approximately 80 yards of wicking on a spool, for use with psychrometers.

SCOOPMASTER TANK THERMOMETER

To API and ASTM requirements. 12" length lens front red liquid tube in 14" black plastic chemical resistant case with 120ml cup.
